

AM PRO X20

2 BALANCED-ARMATURE DRIVERS

PROFESSIONAL IN-EAR MUSICIANS' MONITORS WITH PASSIVE AMBIENCE

Hearing is everything to a musician.

Musicians of the past were limited to selecting either an isolated in-ear monitor mix or an immersive wedge based experience for monitoring. However, with the Westone Audio® AM Pro X 20, you can now enjoy both the energy and input from the audience, as well as from other performers and the stage. With the AM Pro X 20 you will experience unmatched audio clarity and impact that only this device can deliver.

Let the world in...and set the stage for the best performance of your life!
